Character in the Mustache.

There is a great deal of character in the  
mustache. As the form of the upper lip  
and in the regions about it has largely to  
do with the feelings—pride, self reliance,  
manliness, vanity and other qualities that  
give self control—the mustache is more  
particularly connected with the expression  
of those qualities or the reverse. When  
the mustache is ragged, and, as it were,  
flying hither and thither, there is a lack of  
proper self control. When it is straight  
and orderly the reverse is the case, other  
things of course taken into account.

If there is a tendency to curl at the outer  
ends of the mustache there is a tendency  
to ambition, vanity or display. When the  
curl turns upward there is a geniality  
combined with a love of approbation.

St. Louis to Colorado via Wichita.

Commencing Sunday, July 13, 1890, the  
Missouri Pacific railway will run through  
sleeping cars from St. Louis via Pleasant  
Hill, Rich Hill, Fort Scott and Wichita to  
Gunnison and Denver. This change  
was made on account of a great many peo-  
ple from the east going to Colorado, being  
desirous of going via Wichita. The train  
will stop here two hours, giving all a  
chance to view the "Pleasant Hill" princi-  
ples of the route. In Colorado same time  
as if they had gone via Kansas City.  
It also gives the citizens of Wichita sleep-  
ing car service from here to Colorado. Re-  
turning it gives us through sleeping car  
service Wichita to St. Louis, and gives the  
Colorado people a chance to go east via  
Wichita. This change will undoubtedly be  
appreciated by the traveling public, and  
especially by the citizens of Wichita. If  
you are going east or west go via the popu-  
lar new through route. Through chair  
and sleeping car service. New route just  
completed between Fort Scott and Rich  
Hill goes through the finest mineral and  
agricultural country in the west. Don't  
forget the new short line to St. Louis or  
Colorado.
